PROMISS

First makeup bag checklist

Five optional product types to consider. Tick only what you want to use; bare skin is welcome.

My spending limit _____ **My morning time** _____

☐ Coverage

Concealer or a light base, if wanted. Check shade and feel in daylight.

Already own / want to try: _____

☐ Cheek colour

A blush you can apply lightly. Use only on areas the label permits.

Already own / want to try: _____

☐ Brow product

A brow pencil or gel, if wanted. Start with small, light strokes.

Already own / want to try: _____

☐ Mascara

Optional eye definition. Choose a product intended for the eye area.

Already own / want to try: _____

☐ Lip colour

A comfortable balm, tint or lipstick you can reapply easily.

Already own / want to try: _____

Before anything goes in the bag

☐ Check ingredients, directions and opening or expiry dates.

☐ Keep hands and tools clean; do not share eye or lip products.

☐ Stop using products that irritate or change in smell or texture.

☐ Plan removal before bed; follow the product and tool instructions.

Sunscreen and skincare are separate from this optional makeup list. Follow their directions.

Print at actual size or fit to page. Reuse what you own; adapt every suggestion to your life.
